GAMING COOLING PAD

GAMING DESIGN SERVING COMFORT

For all laptops up to 17 ".
- 4 fans backlit in blue.
- 6 speed modes.
- Wire mesh.
- Mini screen to control the operation of the fans.

PC gamings are always more powerful and energy hungry.
To reduce the risk of overheating, laptops often require external cooling systems.

With cool gaming support, enjoy the total performance of your laptop while comfort.
With its 2 USB ports, it has a double function and becomes a USB hub.
Adjust the speed of ventilation to the rhythm of your gaming parties with its 6 modes.
