Electronic bell for handlebar

A POWERFULL HORN

Ensure your safety with this handlebar horn.
Simply press the remote button to prevent dangers.
Its powerful sound from 110 to 120 dB ensures you a powerful signal to alert motorists.
Its silicone fixation is compatible with handlebars from 22 to 31.8 mm in diameter (most bikes and scooters).
Composed of a 280mAh lithium battery, this horn can be recharged using the micro usb cable (included).
Its compact size makes it the essential safety accessory for your bike or scooter outings.
