

Robust magnetic suction cup holder

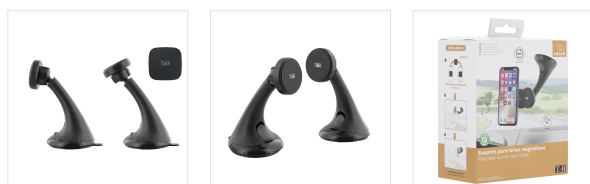

THE GO-TO HOLDER FOR YOUR JOURNEYS!

This suction magnetic holder is ideal to access your Smartphone in one gesture in your vehicle.
Thanks to its rotary head ball which can move up to 180° on several axes, it is easy to fix in most of the vehicles.
It will strongly maintain your phone thanks to the two tabs provided to stick on your phone or case.
It is supplied with 2 tabs to stick directly on your phone or on your case. It is also compatible with sat nav.
