

18W PD USB-C CHARGER

Fast charge all your mobile devices thanks to USB Power Delivery function. This wall charger is compatible with all USB-C enabled devices, up to 18W. PD function will offer optimal charging performance for USB-C devices that support PD function.

USB-PD enables compatible devices to charge faster at higher voltages and protects your devices against over-current, over-voltage, overheating and short circuit.

USB-C PD is compatible with USB-C cable.

Compatible with iPhone XR, XS, XS max X, iPhone 8 and iPhone 8 Plus support PD function.
