

# BLACK BLUETOOTH EARPHONES MATE WIRELESS - CHARGING BASE

The MATE earphones are T'nB's premium TRUE WIRELESS earphones range.

Thanks to their pure and ergonomic design, they are both light and ultra comfortable, while displaying high-end and trendy finishes as the metal texture on the multifunction button.

With TRUE WIRELESS technology, no more cables: enjoy absolute freedom of movement!

Enjoy optimum sound quality: breathtaking power, deep bass and crystal clear highs.

The aluminum charging case will allow you to easily store, transport and charge your headphones: slide the drawer of the box, position the earphones in the dedicated magnetic place, and let your earphones charge! The battery backup box provides you with a range of over 25 hours of listening.

With the feeling of wearing no earphones, the MATE range offers you a new way to rediscover your music.

**Your music playlist without a cable to get in the way**

# BLACK BLUETOOTH EARPHONES MATE WIRELESS - CHARGING BASE
