

## BLUETOOTH SPEAKER SHADOW 12W

Combining trendy design and performance, this speaker is ideal for everyday outings with friends as well as indoor use.

Thanks to its 16W Stréréo sound, enjoy a sound clarity at the height of its power!

Push the bass and and make its two subwoofers bounce !

Its compact design and strap allow you to take it anywhere with you, and enjoy your music wherever you are.

Thanks to its multiple reading modes, listen to music in Bluetooth or wired directly from your smartphone or computer, or plug a USB key or an SD card!

Control your tracks (Play / Pause, Next / Previous) and volume through the interface on the speaker, and even take your calls directly via the built-in microphone in the speaker!
