

## 2XUSB-A 15W CAR CHARGER

THE FAST CHARGE IN YOUR VEHICLE!

Charge up to 2 devices while driving!

This discrete and compact car charger will allow you to quickly charge your smartphone and more. You just need to plug it on any cigar-lighter socket as long as it delivers 12 or 24V.

Thanks to its 2 USB ports, this car charger will deliver current up to 3 amperes (if your device allows it). It also has SMART IC technology: it provides an optimal energy intake by automatically detecting the voltage your device really needs. Thereby you can charge your smartphone and another device all at once!

**Quick and design!**
