

Design indoor antenna with integrated 5G filter

ENJOY 4K ULTRA HD RECEPTION!

Indoor antenna with integrated amplifier
 Compatible with TV, TNT, FM, HD, UHD & Ultra HD 4K.
 Equipped with a 5G filter, you can enjoy optimal reception without disruption.
 The AC adapter will allow you to power your antenna by plugging it directly into an electrical outlet.
 The OFF button on the box allows you to turn off your TV antenna when you don't need it.
 By choosing one of the STD or TURBO buttons, you can best adjust the reception quality of your channels according to your TV.
 The antenna is delivered with its support foot.
 Thanks to its designer textile finish, you can place it in your living room or bedroom as a decorative element!
 Receiving distance 0-25km
