## Dashboard and car computer magnetic holder

### YOUR COMPACT, FOLDABLE AND ROTARY HOLDER!

Discover our discreet and adaptable holder, to keep your smartphone on hand and within sight!

To install your holder, place and stick it on your dashboard or at the back of your car computer.

CARPL1 is adjustable to fit your needs !

Adjustable length to adapt the distance of the magnetic surface.

Once your holder is stuck, a button in the middle will allow you to 360° rotate the holder: place the holder the way you want.

Its large magnetic surface ensures an optimal hold and makes it compatible with most of the smartphones on the market.

CARPL1 is Magsafe compatible

3M sticker for an optimal hold.
