

USB-C to USB-C twist cable

LISTEN TO YOUR MUSIC EVEN WITHOUT A JACK INPUT

Want to connect and charge your device with a twist cable?
The T'nB USB-C to USB-C cable is the solution to your problem.
The spiral structure of the cable allows it to reach a 1m length and is stronger than a conventional cable.
This cable is extremely durable thanks to its spiral structure.
The USB-C connector is 100% reversible. In addition a USB-C to USB adaptor is included. It allows you to switch one of the USB-C port to USB-A if needed.
This twist cable is ideal for an Android auto use
