## HTAG Bluetooth headphone black

NEW GENERATION BLUETOOTH 5.0

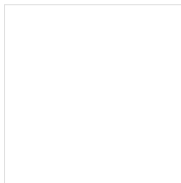

With the HTAG Bluetooth Headset, enjoy your playlist in a new way !  
2 in 1: wired and wireless. Bluetooth (= wireless) mode allows total freedom of movement, and works with the built-in Lithium battery. The wired mode (headphone jack included on the headset) allows you to use your headset connected directly to the smartphone / MP3 / tablet, in case the battery is discharged.
