

TRAVEL ACTIVE NOISE CANCELLING BLUETOOTH HEADPHONE

IDEAL FOR BIG TRIPS LIKE EVERYDAY JOURNEYS.

TRAVEL 2 Bluetooth stereo headset with active noise reduction technology and smart touch pad.

This new stereo headset features active noise reduction technology to eliminate any noise barriers between you and your music. Discover a world without surrounding noise. At the touch of a button, the noises disappear to leave room for music. Indeed, the TRAVEL 2 headset constantly analyzes the ambient noise to cancel it by emitting an opposite signal.

Ideal for frequent flyers, the TRAVEL 2 comes with an airplane adapter and a storage EVA case. Equipped with a smart touch pad, the TRAVEL 2 headset also allows you to cut your music with a simple touch of the hand. This way, be sure not to miss the announcement of your departure or any information at the station, airport or transport!

Convenient and comfortable, the TRAVEL 2 supra-aural helmet is foldable and its headphones are rotating. It is equipped with leather foams for long listening comfort. The TRAVEL 2 headset, Bluetooth for wireless listening comfort, also comes with a 150cm nylon auxiliary cable. You can use it even if you do not have battery, or if you are using it with a device that does not have Bluetooth technology.

Touch the pad and cut the sound !

TRAVEL ACTIVE NOISE CANCELLING BLUETOOTH HEADPHONE

Characteristics
