LED alarm clock with wood finish and induction charger

CHARGE YOUR SMARTPHONE WIRELESSLY, WAKE UP IN STYLE!

Add a trendy touch to your interior with this wood-finish LED alarm clock with induction charger!
 Find the time and indoor temperature at a glance.
 Take advantage of the multi-alarm mode to program up to 3 different alarms to wake you up gently. In addition, thanks to the "week" mode, the alarm automatically pauses on weekends, you do not need to deprogram it.
 The alarm clock has a 5 Watt induction charger. Simply place your smartphone on the alarm clock when you go to bed, find it 100% charged when you wake up!
 The alarm clock has 3 brightness levels and automatic adjustment between 6 p.m. and 7 a.m. to adapt the brightness to the surrounding light.
 You have the choice between classic mode, in which the time display remains constant, or energy saving mode in which the display turns off after 15 seconds. The alarm clock then turns back on by touch or by voice.
 Thanks to the memory function, you do not need to reconfigure the time and alarm if the alarm clock is turned off.
 This JOY alarm clock will fit perfectly into your interior!
