

STUDIO ONE JACK 3,5MM / JACK 6.35MM WIRED HEADPHONE

The new DJ headphones from T'nB have been designed for music lovers! Whether you like to mix, sing or play an instrument, you can now fully enjoy your passion with headphones designed especially for you! Equipped with a 6.35mm jack adapter, this headset will be suitable for all your musical instruments (synthesizers, turntables, amps, etc.) offering you exceptional feedback and faithful sound reproduction. Thanks to its enveloping and ultra-thick foams, you will enjoy unparalleled insulation and comfort, allowing you to play in the best conditions.

The worked design and "metal" finishes of this headset will give you the look of a true professional!

Professional quality for amateurs!
