

UHF WIRELESS TV HEADPHONES

TO FULLY ENJOY YOUR FAVORITE SHOW !

RR wireless TV headphones, delivered with its transmitter base with integrated charging.

All you need to do is plug the transmitter into your TV and switch on the headphones after integrating the supplied batteries.

With a range of up to 100 meters (without obstacles), you can watch TV in your living room or bedroom in complete freedom.

The headband of the headphones is adjustable and will adapt perfectly to your head. Enjoy the smooth and soft ear cushions for optimal comfort and long listening time.

At the end of use, simply place your headphones on the transmitter, it will recharge automatically. Ideal for your next uses!

Don't disturb anybody !
