

HY-100 GAMER HEADSET

THE ESSENTIALS OF A GAMING HEADSET COMPATIBLE ON ALL PLATFORMS!

HY-100 the gaming headset designed to bring you the essentials of a gaming headset.

Enjoy high quality sound with deep bass for full immersion in any type of games.

An ultra light headset with comfortable ear cups and an adjustable headband. Its structure is resistant to shocks and torsional effects for increased strength.

Its microphone perfectly reproduces your voice. It is flexible and resistant and prevents breakage that you will find on classic headset.

Easily adjust the volume level with access to the adjustment wheel behind the left ear cup.

Compatible with any platform with a 3.5mm jack port

A dual jack adapter is provided for computers with dual mic / sound inputs.
