

HY 500 EXPERT GAMING HEADSET

PROFESSIONAL QUALITY 7.1 SURROUND GAMING HEADPHONES, COMPATIBLE WITH ALL PLATFORMS

Discover the HY-500 PRO gaming headphones, the professional noise-cancelling headphones with 7.1 surround sound.

HY-500 PRO is the headset that will meet the needs of the gamer looking for performance and comfort. Its tilting circum auricular pads in imitation leather with shape memory are ultra soft, and adapt perfectly to your body shape for lasting comfort even in the most intense play sessions.

Take advantage over your opponents thanks to the high quality sound whether you are on a console, computer or smartphone.

The supplied USB adapter will allow you to switch to 7.1 surround sound for perfect immersion in your game. Equipped with remote controls, the adapter allows you to adjust your volume, mute your sound or microphone. It is removable if you do not want to use your headset for other uses.

Use a professional quality microphone for perfect communication with your teammates.

The software provided will allow you to customize the sound to your preferences.

Comfort and performances
