

# TRAVEL 2 IN 1 ACTIVE NOISE CANCELLING BLUETOOTH HEADPHONE

SIMPLY TRAVEL!

Active stereo headphones TRAVEL black

This new stereo headset features active noise reduction technology to eliminate any noise barriers between you and your music.

Discover a world without noise. With a single push of a button, the noises disappear to leave room for music. Indeed, the TRAVEL headphones continuously analyze the ambient noise to cancel it by emitting an opposite signal.

Ideal for large riders, the TRAVEL headset comes with an airplane adapter and a storage pocket.

On the practical side and comfort, the TRAVEL supra-aural headset is foldable and its headphones are rotating. It is equipped with leatherette foams for long listening comfort. The TRAVEL headset comes with a detachable 150cm auxiliary cable.

Noise reduction technology requires a built-in 180mAh Lithium battery.

**Eliminate the surrounding noise!**
