ART SCANDI BLUETOOTH SPEAKER 5W MONO

Wireless speaker ART 'Scandi' mono 5W

Let you seduce by this brand new Bluetooth speaker designed by T'nB!

Combining Design, Trend, Sound and Technology, the new ART collection ("Attitude l Rythm l Technology") will accompany you anywhere in your home or travelling !

Concerning the sound, you get an amplified listening quality thanks to a 5 Watts RMS neodymium magnet, with adjustable bass and treble distribution.

Regarding design and material, this speaker plays the Lifestyle card, through Pastel colored geometric shapes on wooden background and the reference to the Scandinavian spirit, all with a rubber coating, ultra soft to the touch.

The ART 'Scandi' speaker is equipped with Bluetooth technology, allowing you to listen to your playlist from your smartphone without cable, with a range up to 10 meters!

The most trendy speaker on the market EVER !
