

WIRELESS SPEAKER COLOR GREEN

THE COLORS OF THE MUSIC IN HARMONY WITH YOUR STYLE!

Thanks to a colorful and trendy style, COLOR speakers are almost a fashion accessory in their own right!

They have been designed for your daily life: equipped with Bluetooth 5.0 technology, enjoy an autonomy of 8 hours and a more faithful sound reproduction.

In addition, equipped with TWS technology, you can connect two of the speakers together so that your music is present everywhere, and to increase the sound power.

Equipped with a 3 Watts RMS speaker, boost the sound of your playlist and set the mood around you ...

The COLOR speaker also has an MP3 function to stream music via its micro sd card reader (up to 32G)

Control your music with the volume control / track change / on / off buttons.

The latter is also IPX4, ie it is protected against splashing water.

IPX4/TWS
