

WIRELESS SPEAKER RECORD V2 BLACK 2ND GENERATION

A TRENDY LOOK FOR A QUALITY INDOOR SPEAKER

RECORD Vol.2 2nd generation Bluetooth speaker, 10 Watts stereo and TWS connection.

This elegant wireless speaker with noble materials, will be your new companion to listen to your favorite music playlist!

With the TWS (True Wireless) function, your speaker can connect with other RECORD 2 speakers and allow you to enjoy quality sound in every room of your home.

Thanks to its discreet buttons, the RECORD Vol.2 speaker allows you to directly control the playback tracks of your playlist, but also to manage the volume, without having to manipulate your smartphone!

Equipped with a 2200 mAh (3.7V) lithium battery, your speaker connects wirelessly via Bluetooth 5.0 technology with a range of up to 10 meters, and allows you to listen to your music with an autonomy of 12 hours!

You can also integrate an SD card or connect your phone via a jack cable directly.

This 10W stereo model completes the RECORD range, made up of 3 other models available in several colors.

TWS and 10W!
