

## ELYTE COBRA - GAMING HEADPHONE AND USB HUB SUPPORT

**DESIGN AND PRACTICAL!** 

The new ELYTE headset stand is a smart product that will complement your equipment to be even more effective.

The COBRA is a perfect balance between functionality and esthetics.

Besides being a headset stand, It has 4 USB 2.0 ports to connect all your accessories and to optimize your desk space.

For better stability the stand has anti slip pad and is heavy enough to be stable. With its RGB backlight, live a real gaming experience.

Stability and dual function
