## Wireless laval microphone - INFLUENCE

### RECORD YOURSELF IN FREE MOVEMENTS!

This omnidirectional lavalier microphone with background noise reduction technology offers you optimal recording quality. Thanks to its wireless connection, keep total freedom of movement, without any wires to get in the way. The lavalier microphone and its receiver give you a range of up to 20 meters!

The microphone is configured to work in plug and play, it does not require any installation: connect the receiver with USB type-C port to your smartphone, turn on the microphone before attaching it using the tie clip, and start recording.

This discreet mini accessory will enhance the quality and fluidity of your audio, video and live recordings, at a sampling frequency of 32kHz.

Thanks to the omnidirectional technology, the microphone picks up sounds 360 and transcribes the entire sound environment more precisely. Storage pouch included.
