

MINI LED PROJECTOR FOR CAMERA - INFLUENCE

OPTIMIZE THE BRIGHTNESS OF YOUR VIDEOS

This LED projector gives you all the light required during your shootings. Do not be afraid of lacking brightness during your videos.

Small and easy to carry, these 36 LED and its 120° illumination angle ensure the necessary light to each scene.

Enjoy its 3 levels of intensity to adapt the light as you wish.

Compatible with cameras, the projector is rechargeable with the supplied micro USB cable and has a stand to insert it on the top of the cameras or on smartphone holders.

Ensure to have the right brightness during your shootings
