

MINI TRIPOD FOR SMARTPHONE WITH LED - INFLUENCE

THE ESSENTIAL ACCESSORY FOR YOUR SHOOTINGS

This mini tripod is the essential accessory for all your photo or video recordings !
 A smartphone holder, compatible with smartphones up to 6,5", is included on the pitch screw.
 The LED projector attached to the tripod is 360° rotative, so as to be as efficient in selfie mode as in your best reports.
 The projector has 3 levels of light intensity, with a built-in button to select the best light .
 The legs ensure the stability both of the device and your images.
 Ultra light and compact , this tripod follows you everywhere and guarantees the capture of the most precious moments of your life!
