

GHOST GAMING MOUSE

THE VERSATILE GAMING MOUSE

Designed for gamers, the GHOST mouse has all the qualities to accompany you on the battlefields and ensure victory!

The GHOST mouse has an ultra fast scroll wheel and 7 programmable buttons thanks to the software provided to expand your arsenal

GHOST will give you control and precision with its different adjustable sensitivity levels thanks to the double DPI buttons: 1000-2000-3000-4000 DPI, ideal for your FPS games! Depending on your needs, adopt better precision or better movement speed!

Low-friction skates and ultra-resistant buttons are synonymous with reliability for long years of play. The GHOST will satisfy all gamers looking for thrills.

To immerse you even more in the world of your game, GHOST puts you in the mood thanks to the different colors that illuminate it.

7 programmable buttons
