

SINGLE MONITOR ARTICULATED ARM

THE IDEAL SUPPORT TO ADJUST PRECISELY YOUR SCREEN POSITION.

Articulated screen support with 360° adjustment.

The articulated support is the best solution to set up your screen. It allows you to adjust continuously your monitor position, in height, depth and width.

Enjoy a complete freedom, work while sitting down or standing up, turn your screen to present work to a colleague. Everything is possible.

Its gas spring allows you to precisely adapt the position and balance the weight of the screen.

The cable management is integrated to facilitate the storage and clear the desk.

Two mounting solutions are included : desk clamp and grommet.

Enjoy a continuously repositionable monitor.
