

REMOTE CONTROL FOR SAMSUNG TV

SAMSUNG TV remote control.

This remote control works without setting, just insert the batteries. It will perfectly replace your remote control.

Similar to your SAMSUNG remote control, change the remote control while keeping the same format.

Thanks to the "learning" function, you can also configure any remote control.

Personalize your remote control in one click and find the same functions as on your original remote control. This function requires the original remote control.

Batteries 2 x LR03 (AAA) not included

Replaces your original samsung remote control
