

XTREMWORk USB-A / TYPE-C WHITE CABLE

LONG LASTING CABLE !

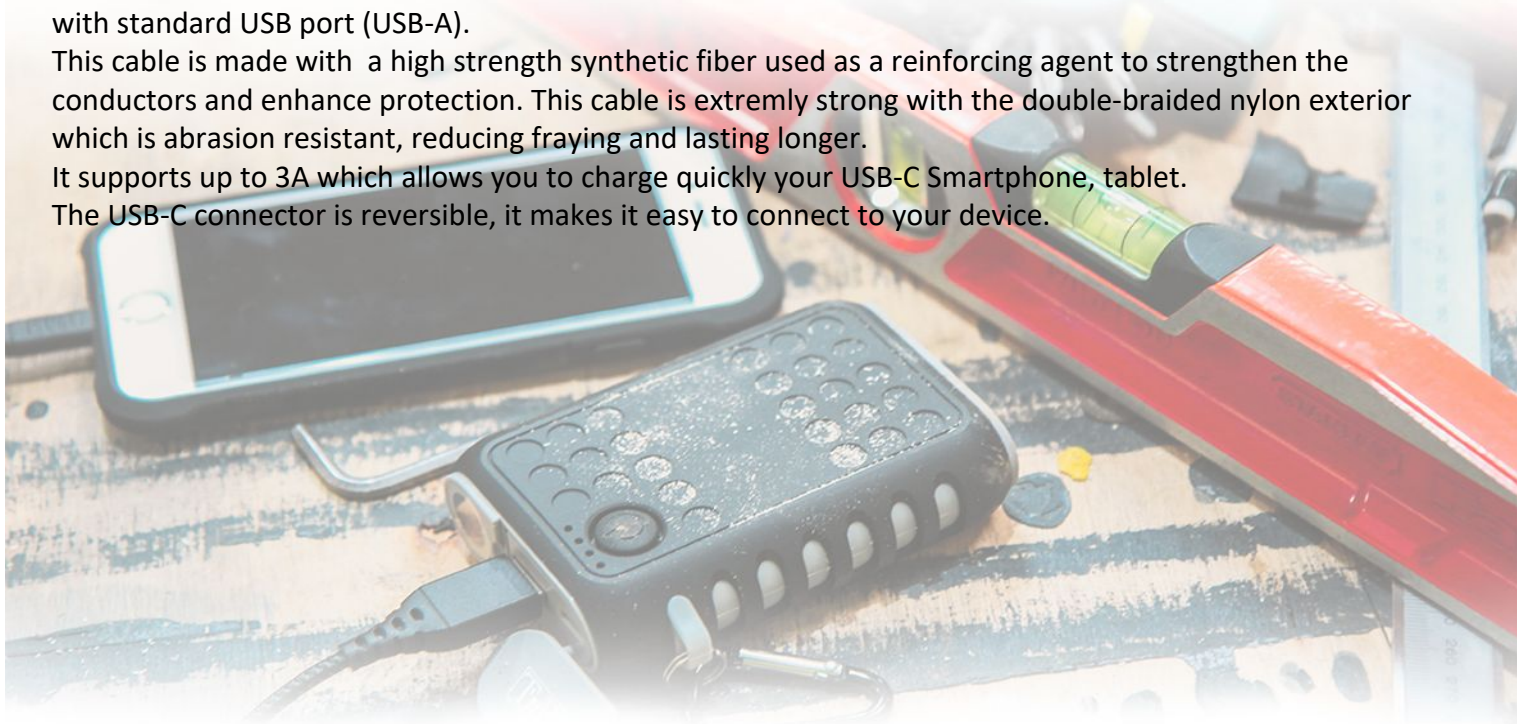

This 2m male USB-C to male USB-A cable allows you to connect your USB-C Smartphone, tablet to any device with standard USB port (USB-A).

This cable is made with a high strength synthetic fiber used as a reinforcing agent to strengthen the conductors and enhance protection. This cable is extremely strong with the double-braided nylon exterior which is abrasion resistant, reducing fraying and lasting longer.

It supports up to 3A which allows you to charge quickly your USB-C Smartphone, tablet.

The USB-C connector is reversible, it makes it easy to connect to your device.
